Featuring Professor Elizabeth Emens

TUESDAY, APRIL 16TH, 12:10-1PM
JEROME GREENE HALL, ROOM 104

Life Admin is the office work of life, from everyday tasks like scheduling doctors’ appointments and paying bills, to life-cycle events like planning a wedding, a birth, a funeral. During this lecture, Professor Emens will discuss how this labor is created and how it affects our lives—with a special focus on the unequal burdens of life admin along many dimensions of our identities, including gender, disability, race, and income.
