

MARCH 2, 2018 POSNER ON CLASS ACTIONS - CLE

Posner's Impact on Class Actions

Judge Richard Posner's influence as a judge is perhaps nowhere more important than on class actions. Having authored over 40 opinions on class actions, Judge Posner shaped the doctrine for decades. This CLE* brings together preeminent judges, scholars, and practitioners to discuss Judge Posner's impact on class action jurisprudence—one of the most significant and evolving areas of law in the United States legal system.

*Information Regarding New York CLE Credits:

Columbia Law School has been certified by the New York State Continuing Legal Education (CLE) Board as an Accredited Provider of CLE programs. Under New York State CLE regulations, this live non-transitional CLE program will provide 1.5 credit hours that can be applied toward the Ethics requirement and 3.5 credit hours that can be applied towards the Areas of Professional Practice requirement. This CLE credit is awarded only to New York Attorneys for full attendance of the program in its entirety. Attorneys attending only part of a program are not eligible for partial credit for it, although they are most welcome to attend it. Attendance is determined by an attorney's sign-in and sign-out, as shown in the Conference registers. On sign-out, attorneys should also submit their completed Evaluation Form, provided at the Conference. Please note the NYS Certificates of Attendance will be sent to the email address as it appears in the register unless otherwise noted there.
