Columbia Law School, 105 Jerome Greene Hall
Refreshments will be provided

Ravi Ragbir  New Sanctuary Coalition
Katherine Franke  Professor, Columbia Law
Sara Gozalo  New Sanctuary Coalition (Moderator)

In the era of the Trump presidency, there is perhaps no issue more hotly contested than immigration. Join us for a discussion of the evolving role of activism in our current moment and the ways in which legal professionals can help shield community leaders from unjust persecution and threats of government retaliation.

Volunteer tables at the event will allow guests to learn more about ways they can get involved.
