EXPERIENCE

Graduate Institute of International and Development Studies, Geneva (Switzerland)

Marie Curie Fellow, Centre for Trade and Economic Integration

May-July 2014

Research fellowship to work on unexplored applications of economics to WTO disputes, with special emphasis on industrial policies and government-induced risk in growth, trade and international investment. Certified participant in the DISSETTLE Summer School (Geneva), with publication in project volume.

University of Sao Paulo, Economics Department

March 2014 - ongoing

Ongoing collaboration on the influence of inflation targeting and certain industrial policies on structural change in Brazil. Two-track study emphasizes rational expectations theory in a macro-economic setting and the management of high demand (FX) due to extractive industry (oil).

Nomura, New York

Consultant, Research Euro-Crisis

November 2012 – March 2013

Direct collaboration with Global Head of FX Strategy and Head of Fixed Income Research, Americas at Nomura Securities (New York) on assessing the risks and implications of the Euro-crisis; in particular concentrating on denomination risk and asset flows in various scenarios.

Columbia Law School

Visiting Research Fellow, Columbia Law School

Research Fellow, Vale Columbia Center on Sustainable Int. Investment

September 2009- August 2012

Aided the advisory role of the VCC to multinationals and Sovereigns and served as Managing Editor to the *Yearbook on International Investment Law and Policy* 2010-2011, 2011-2012 (OUP), Karl P. Sauvant, Editor, while leading the editorial staff on the 2009-2010 volume. In addition, I co-edited the volume *Sovereign Investment: Concerns and Policy Reactions* (OUP, 2012) and authored the first chapter, together with Karl P. Sauvant and Lisa E. Sachs, while partaking in the preparation of several other publications, conferences, and fundraising efforts for the Millennium Cities Initiative in co-operation with the Earth Institute at Columbia University.

University of Leiden, Faculty of Law, Leiden (The Netherlands)

Lecturer

September 2005 - January 2006

Taught introductory course Jurisprudence to first year law students – exploring topics of categorical logic, argumentative reasoning, moral philosophy, and source recognition in civil, common and international law.
